

# GLUTEN FREE Menu

We pride ourselves at Circus Cafe on being extremely gluten free friendly and have developed a devoted clientele who love our menu and staff expertise regarding delicious selections to choose from, safely. We have done extensive research on all of our menu items and we are more than willing to accommodate anyone with a gluten allergy. Our menu begins with the premise that simple is best! We are not big on breadings, coatings or toppings. Thus we are already ahead of the game with our approach and commitment to using fresh ingredients and seasonings to bring out flavor naturally and without compromise. What follows is a summary of our menu - highlighting those items that are gluten free.
